

**ANEC is looking for consumers experts and representatives on a voluntary basis in different areas of expertise**

ANEC – the European consumer voice in standardisation – represents and defends consumer interests in the process of standardisation and certification. We represent consumer organisations from the European Union Member States and the European Free Trade Association (EFTA) countries and accession countries. ANEC was established in 1995 as a non-profit making association funded by the European Union and EFTA. The Secretariat is based in Brussels.

In order to fulfil its mission to raise standards of protection and welfare for all consumers, ANEC requires experts who are willing to participate in its Working Groups and, ideally, to represent ANEC in standards development work. ANEC operates in the following main areas of priority: Child Safety, Design for All (DfA), Domestic Appliances (DOMAP), Environment, Information Society, Nanotechnologies, Services, and Traffic.

Although we are unable to offer a salary or honorarium, we do cover the travel, accommodation and subsistence expenses of our experts in line with the rules laid down by the European Commission and EFTA Secretariat. Above all, we offer the possibility to our experts to influence legislation and technical standards to the benefit of all those in society.

**Profile**

- Proven technical expertise in one of the above-mentioned areas;
- Experience and knowledge of (European) standardisation and an interest in consumer affairs;
- Strong communication and analytical skills;
- Proficiency in English as a working language;
- Willing to work on voluntary basis (estimated time of 25-30 days per year) and to travel (expenses reimbursed);
- No conflict of interest between the role as an ANEC Representative and other responsibilities or work undertaken.

*If you would believe you could contribute to our work, please send an up-to-date CV and letter of motivation (in English) to [anec@anec.eu](mailto:anec@anec.eu).*
