

To the members of the ANEC General Assembly  
To the members of the ANEC Working Groups

**FOR FEEDBACK BY 02 JULY 2022**

*ANEC-ML-2022-G-0040*

**Call for expert  
to represent the consumer interests in**

**CEN/TC 278 'Intelligent transport systems'** and some of its subgroups  
(e.g., WG 3 'Public transport', WG 15 'eSafety' and WG 17 'Mobility Integration')

With introduction of new technologies that impact on the security and privacy of consumers, the representation of the consumer voice in Intelligent Transport Systems (ITS) becomes ever more significant. ANEC is looking for an expert to provide us with technical expertise and to represent our organisation and defend the consumer interests CEN/TC 278 'Intelligent transport systems', including CEN TC 278 WG 3 'Public transport', CEN TC 278 WG 15 'eSafety' and CEN TC 278 WG 17 'Mobility Integration' as of June 2022.

CEN/TC 278 'Intelligent transport systems' deals with standardization in the field of intelligent transport systems, encompassing services and techniques to achieve road safety, environmental sustainability and traffic efficiency, and to improve the travel experience; applying information and communication technologies between vehicles/infrastructure/other road users.

The following are included: aspects of cooperation (C-ITS); intermodality and multimodality; traffic management; mobility information; mobility integration; mobility as a service; systems and services for vulnerable road users; ITS services for automated vehicles; parking management; user fee collection; public transport management; eCall; after-theft vehicle recovery systems; kerbside and pavement management. Mobility accessibility for all users is an important aspect of ITS standardization.

**Profile:**

- Understanding of consumer needs related to transport and digitalization, in particular intelligent transport systems;
- Interest in consumer affairs;
- Strong communication and analytical skills;
- Proficiency in English as a working language;
- Willing to work on voluntary basis and travel (expenses reimbursed);
- No conflict of interest between the role as an ANEC Representative and other responsibilities or work undertaken.

**The tasks of the expert include:**

- To advise the ANEC Traffic & Mobility WG and the ANEC Digital Society WG, on the priorities in this sector, and co-ordinate with the WG and Secretariat on agreed standardisation work items and possible new work items;
- To participate in and present ANEC's views in the meetings CEN TC 278 and related WGs (the work will be done mainly by correspondence in 2021); and other relevant technical bodies as determined;
- Report back to the Traffic & Mobility WG (one or two meetings a year);
- To draft technical comments and provide input into position papers;
- To send meeting reports within 3 weeks of a meeting, using the ANEC template.

Although we are unable to offer a salary or honorarium, ANEC will reimburse any travel and accommodation expenses. Above all, we offer the possibility to our experts to influence legislation and technical standards to the benefit of all those in society.

ANEC reimbursement terms and conditions are available on request.

We would be grateful if you could let us know of your interest by **02 July 2022**. If you have any questions please let us know by emailing us to [cou(at)anec.eu].

Best regards,

Clara
